# Urban Camp '09 Highlights

## 80 Children & Youth "Break Free" at Camp

Urban Camp is an alternative camp for children & youth from the cities of Syracuse and Rochester who might not be able to function appropriately at a traditional camp.

Campers find a place of fun, love, and hope in Jesus Christ!

Urban Camp seeks to provide children & youth a respite from their usual environment of the streets, filled with dangers and distractions that might prevent them from hearing the still, small voice of God.

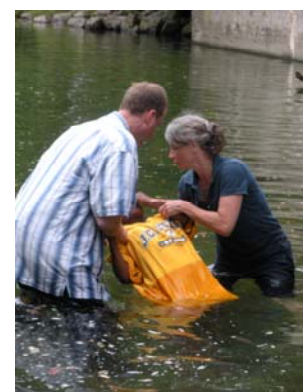

All campers are scholarshiped (\$60/camper) and workers are volunteers, funding them-

## 39 Baptized!

Evangelist Scott Ferguson ministered each evening, and Revs. John Cramer and Patrick McNair ministered in the mornings to the campers on the theme of "breaking free" from sin.

Please continue to pray for these campers who made commitments at camp!
