

Brooktondale Nazarene Camp & Retreat Center
Family Camp 2022

A Note from your Family Camp Director:

I am excited to be back again this year to help facilitate the beauty of Family Camp on the Hallowed Grounds of Brooktondale. Last year was an unexpected surprise in so many ways: (1) We got back the roots of FAMILY camp, (2) We got more acquainted with one another, and (3) The Spirit showed up and moved in BIG ways. When everything that we knew about camp was stripped away (the snack shack, separate children's services, a professional evangelist and worship team, etc.) we discovered something incredible—God still moves in big ways with small things. Covid gave us permission to do things differently, and to make adjustments, and we realized so many of those changes were actually GOOD.

This year we are adding back so many of the usual ministries and opportunities again, but you will also notice some things from last year making a re-appearance, and so many of these GOOD things will make camp even more enjoyable.

The theme of camp this year is "Make Room." Despite spending 2 years 6 feet apart, we still need to make room for God to move. Have we given the Holy Spirit permission to do things differently in us? To make changes? Have we made room for Him to move?

Join us this summer as we make room for the God of the Universe to use us for His good will and purposes. Let us come with GREAT EXPECTATIONS, and with our hearts READY. Let us make room for Him to do what only HE can do in every heart.

With Love to you in Christ,
—Pastor Leslie Davies
